Re: Notice of Intent to Establish a Negotiated Rulemaking Committee for
1926 Subpart N (cranes, etc.)

Dear Mr. Buchet:

Recently we received an announcement of OSHA's intent to establish Cranes and Derricks Negotiated Rulemaking Advisory Committee. We are very interested in your pursuit of establishing this committee and would like to nominate James Headley, Director of Crane Institute of America, Inc. for membership on this committee.

Please find enclosed James Headley's Resume which will verify his competency for this position. We look forward to hearing more on this in the near future.

Sincerely,

CRANE INSTITUTE OF AMERICA, INC.
