- Nomination of Robert Weiss -*

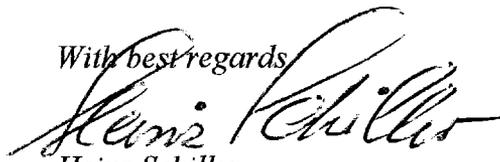

Gentlemen:

Liebherr is the largest all-terrain crane manufacturer in the world, and Schiller International Corp. is the largest distributor Liebherr has worldwide.

We have worked with Mr. Robert Weiss of Cranes Inc. and A.J. McNulty & Co., Inc., for many years. Mr. Robert Weiss has the technical knowledge, the practical experience, and he understands a practical crane application from a business owner's standpoint.

He is extremely conscientious about crane safety. He has the energy and the enthusiasm, which is needed to make a positive contribution to the Cranes & Derricks Negotiated Rulemaking Advisory Committee. We feel he would be an immense asset to your committee.

With best regards,

Heinz Schiller
