Re: Cranes & Derricks Negotiated Rulemaking
Advisory Committee (C-DAC)

Gentlemen:

It has come to our attention Allied Building Metal Industries has nominated Mr. Robert A. Weiss to the Cranes & Derricks Negotiated Rulemaking Advisory Committee. Local 14-14B International Union of Operating Engineers strongly supports this nominee.

We have had a close working relationship with Mr. Weiss for a number of years and feel his experience and knowledge would be a tremendous asset to this Committee.

We would appreciate your consideration of Mr. Weiss. Please feel free to call me at the number below if you have any further questions.

Sincerely,
