To whom it may concern:

**Re: OSHA's Nomination for Cranes and Derricks Negotiated Rulemaking  
Advisory Committee**

I understand and agree to the expectation that, if appointed to the Occupational Safety and Health Administration's Cranes and Derricks Negotiated Rulemaking Advisory Committee (C-DAC), I will attend the regularly scheduled meetings of the committee and will actively participate in good faith in the development of the rule for safety standards for cranes and derricks. In addition, I am willing and able to represent the interests of the residential construction industry on the Cranes and Derricks Negotiated Rulemaking Advisory Committee.

Sincerely,

/s/

Roger Lyons
