Manitowoc Cranes, Inc.

ATTN: OSHA Cranes and Derricks Negotiated Rulemaking Advisory Committee, Reference July 16, 2002, Federal Register

To Whom it May Concern:

I would like to place my name in nomination for the Negotiated Rulemaking Committee for the new Crane and Derrick Standard to update 29 CFR 1926.550. I would like to represent the crane manufacturing interest on the Committee.

I have been employed by Manitowoc Cranes, Inc. (formerly Manitowoc Engineering Company), a division of the Manitowoc Company, for over 28 years in various capacities:

1974 – 1992	Project Engineer, Structural Testing
1992 – 1999	Project Engineer, Structural Design and Rating
1999 – 2001	Manager, Engineering Product Support
2001 – 2002	Manager, Boom Design and Rating Group
Currently	Director, Product Support

I have participated in SAE subcommittees and AEM/CIMA/PCSA Crane technical committees reviewing and updating various SAE crane Standards and ISO crane Standards. I also have field experience performing structural testing on cranes in various customer locations. I graduated from Michigan Technological University with a Bachelor's of Science in Mechanical Engineering. I am also a Registered Professional Engineer in Wisconsin.

I will further make a personal commitment to actively participate and negotiate in good faith as a crane manufacturing representative in the development of the new Cranes and Derricks Rule.

This letter will be faxed to 202-693-1648 and mailed to the Docket office.

Sincerely,

Michael E. Brunet, P. E.
