Re: *Cranes and Derricks Negotiated Rulemaking Advisory Committee*

Dear Sirs/Madams:

The Construction Alliance made up of the Mechanical Contractors Association of America (MCA), National Electrical Contractors Association (NECA), and Sheet Metal and Air Conditioning Contractors Association (SMACNA) would like to nominate William J. "Doc" Weaver as a candidate to the Cranes and Derricks Negotiated Rulemaking Advisory Committee.

A description of Mr. Weaver's work experiences as well as a statement of his commitment to attend the meetings and to negotiate in good faith have already been forwarded to this rulemaking docket. His good nature and broad knowledge ranging from direct field practices to upper management responsibilities will result in significant contributions to the committee. Since Mr. Weaver has overseen the various uses of cranes throughout his career, he will be able to represent several of the specified interest areas requested in the agency's *Federal Register* announcement.

We appreciate your consideration of this worthy representative. You may contact MCA @ 301-990-2214, NECA @ 301-215-4526, and SMACNA @ 703-803-2980 if there is need for further inquiry.

Sincerely,

Handwritten signature of Peter G. Chaney in black ink.

Peter G. Chaney,
MCA Director of
Safety and Health

Handwritten signature of David L. Potts in black ink.

David L. Potts
NECA Director of
Safety and Insurance

Handwritten signature of Thomas J. Soles, Jr. in black ink.
