Re: Docket No. S-030
Nomination for membership -- C-DAC

To Whom It May Concern:

The **American Subcontractors Association of the Carolinas (ASAC)** is in full support of the **Steel Erectors Association of America (SEAA)** nomination of Mr. George R. "Chip" Pocock, for the position on C-DAC as a representative of SEAA.

Our support is based on Mr. Pocock's many years of experience, training and interest in OSHA and related issues and the outstanding reputation of the SEAA and its membership.

Respectfully submitted,

Linda Burkett
