Re: Notice of Intent To Establish a Negotiated
Rulemaking Committee For 1926 Subpart N (Cranes)

To Whom It May Concern:

I would like to nominate James Headley, Director of Crane Institute of America, Inc. for membership on this committee. I am familiar with the work Mr. Headley has done relative to crane training, the ASME B30 and the ISO TC96 Crane Committees. He is extremely competent in crane use and operation due to his past experience operators cranes, training operations and jobsite personnel. I strongly recommend you consider making Mr. Headley a member of the committee.

Sincerely,

Norman C. Hargreaves
