Docket No. S-030
U.S. Department of Labor
200 Constitution Avenue NW
Room N-2625
Washington, DC 20210

Gentlemen:

I am applying for membership on the negotiated rulemaking committee that will develop a proposal to revise 29 CFR part 1926 Subpart N – Cranes, Derricks, Hoists, Elevators, and Conveyors. I am employed in the insurance industry and work full time on crane safety. My extensive personal qualifications (which are detailed in the attached resume) will benefit the committee as well as the interest group identified as “insurance and safety organizations, and public interest groups”.

I have served, as my schedule permitted, on the ACCSH crane work group and realize that this committee will require far more work and commitment. In addition I have the full support of my employer in this endeavor. I look forward to your favorable response to my application in the near future.

Sincerely,

David Ritchie CSP, CHST
