Re: Comments on "Notice of Proposed Rulemaking Committee membership; request for comments."

To Whom It May Concern:

The Associated Builders and Contractors, Inc. (ABC) respectfully submits the following comments on the Occupational Safety and Health Administration's (OSHA) selections for the Crane and Derrick Negotiated Rulemaking Advisory Committee. ABC is a national trade association representing more than 23,000 merit shop general contractors, subcontractors, material suppliers, and construction-related firms in 80 chapter across in United States.

ABC has reviewed OSHA's proposed committee members and offers its support for OSHA's selections. We are particularly pleased with OSHA's selection of the following ABC member companies:

- Joseph Collins, Zachry Construction Corporation (TX);
- Brian Murphy, Sundt Corporation (AZ);
- Stephen Wiltshire, Shirley Contracting Corporation (VA);
- George R. "Chip" Pocock, C.P. Buckner Steel Erection (NC);
- Charles Yorio, Acordia (PA); and
- David Ritchie, The St. Paul Companies (TX)

We look forward to working with our members and OSHA to develop a rule that will contribute to safety and productivity in the construction industry.

Thank you for the opportunity to comment.
