Docket No. S-030
U.S. Department of Labor
200 Constitution Avenue, NW, Rm N-2625
Washington, DC 20210

RE: OSHA Cranes & Derricks Negotiated Rulemaking Advisory Committee
Docket No. S-030

To Whom It May Concern:

This is written notice requesting that OSHA, Department of Labor, consider my application for membership on the OSHA Cranes & Derricks Negotiated Rulemaking Committee. Attached is my resume. As in all matters if I were selected to participate on this committee, I of course would be willing and able to attend the meetings and negotiate in good faith.

Thank you for your consideration.

Sincerely,

William J. "Doc" Weaver

CC: Mr. David Potts, NECA
Director of Safety & Insurance
