

**Revision to Draft Meeting Summary – February 4-6, 2004**

**Pile Drivers Panel and Discussion**

**Delete the last two sentences of the second paragraph:** “Some uncertainty exists regarding their position on inclusion of dedicated pile drivers under the revised standard. The committee will seek clarification of their position.”

**Substitute:** “However, they support the inclusion of dedicated pile drivers in the crane standard provided that specific provisions are included that reflect the particular construction and functions of that equipment.”
